RECIPIENT OF HONORARY DEGREE

COMMENCEMENT SPEAKER

Yvonne B. Freeman

DR. YVONNE B. FREEMAN, ASSOCIATE ADMINISTRATOR, NASA

Dr. Yvonne B. Freeman, Associate Administrator for Equal Opportunity Programs at the National Aeronautics and Space Administration, is the principal advisor to the administrator on matters related to work force diversity. She is the senior official responsible for maximizing opportunities for women and minorities throughout NASA and in NASA's training projects at colleges and universities. Under Dr. Freeman's leadership, NASA has increased funding for research centers in seven historically black institutions and awarded six institutional research awards to universities. She directed the implementation of the plan to strengthen educational excellence for Hispanics and the funding of the American Indian Science and Technology Education Consortium. Her policy led to

NASA's support of 652 undergraduate, 170 graduate, and 12,066 pre-college students in 1994.

Previously, Dr. Freeman was a senior manager at NASA and a senior manager at the U.S. Department of Agriculture. At USDA she helped increase the participation of minority institutions and the funding for them. Before joining USDA she represented higher education in the U.S. State Department and the U.S. Agency for International Development. She is a graduate of Fisk University, Loyola Marymount University and the University of Massachusetts at Amherst. She is the recipient of the 1956 NAFEO Leadership Award, the William Cosby Distinguished Alumnus Award at the University of Massachusetts, and the Martin Luther King Award of Vincennes University, Indiana.
